

2021

Annual Report

"You came near when I called you and you said 'Do not fear.' You have taken up my cause, O Lord; you have redeemed my life."

Lamentations 3:57-

Message from the Founder

The year of 2021 was not disappointing to Hines Ugandan Ministries. Many sponsors and supporters hung in during this COVID time and were very giving. We are so thankful to God for your prayers and financial support. It has helped us to accomplish things that would not have been possible without it. We give thanks to you and to our Lord for His continued faithfulness through everything.

Children from the 4th grade up returned to school for about three months during the year, while secondary grades received a bit more time. Many of the university students were online throughout half of the year and were able to continue in person in the fall. Some of these students were able to advance to higher grades despite it all. The children and youth felt that the Lord was still helping them and had not left them.

There were challenges as well, but our Lord was faithful through all. Drought, and sometimes floods, as well as world-wide economic crises greatly impacted the people of Uganda. There was little food grown, leaving rural villagers wanting and city dwellers with skyrocketing food costs. We are so grateful to so many of our friends and partners who gave above and beyond to support the giving

of more than 1,000 food baskets each month for seven months. This made a huge difference to the people, particularly the children, as we were able to minister to their physical needs while sharing Christ. I cannot thank you enough.

Sponsorship continues to help so many children and youth and we are so thankful for the sponsors that the Lord has given us. One young lady who grew up sponsored all the way through 2021 and has now graduated and is working in a division of government, in national water development. Gift lost both her parents to illness by the time she was 8 years old. She and her two younger brothers had no where to go. As we had no room in our children's home at the time, the children were split up with her brothers taken to different Christian children's

homes in different areas of the country. Gift often cried for her mother, but finally settled in at the home of our Pastor Charles & Judith Magale. She graduated with a bachelor's degree in Developmental Studies for disaster preparedness and development. More than any of this, Gift loves Jesus and says nothing would have been possible if it were not for Him and for the sponsors that He brought her way.

God bless you and thank you for sharing the love of Christ through your prayers and support of HUM.

Katherine

Thanks to all who so generously gave over the past year to serve the children and families of Kamonkoli during a particularly difficult year for us, and you and all around the world. Ultimately, meeting basic needs, offering hope and a saving faith. See what you did:

- ◆ Of our 505 faithful donors, 279 sponsors helped us care for approximately 520 children between Kamonkoli & Soroti with 5 graduates, even during Covid limitations.
- ◆ Provided over 16,000 food baskets for community families.
- ◆ Boosted our clinic operations at a critical time and loaded up our mercy fund for special needs like surgeries, hospitalizations and special medicines.
- ◆ Supported 380 students at our Genesis Primary School.
- ◆ Provided many of our sponsored youth and higher education students with school books and supplies and boarding supplies.
- ◆ Provided Bible curriculum and picture Bibles for Genesis School. Funded masks and hand sanitizer for Genesis and boarding students.
- ◆ Supplied school shoes and uniforms for our non-sponsored Genesis kids.
- ◆ Renovated Genesis school latrines and 7 classrooms.
- ◆ Built a new home for one sponsorship family and received funds for one completed this year.
- ◆ Drilled 5 deep, clean water community wells in remote areas of the community.
- ◆ Replaced kitchen cabinets and the roof and ceiling of the children's home.
- ◆ Contributed to our much needed Ministry Outreach Center that we hope to fully fund and begin building in 2022.

Most importantly, you prayed for us, the children and the community. THANK YOU!

Financials

2019	2020	2021
Revenue: \$996,157	Revenue: \$909,736	Revenue: \$1,121,431
Expenses: \$982,814	Expenses: \$838,830	Expenses: \$ 1,073,782

The Heart of HUM

Much of our ministry, Genesis Primary School, Holmes Medical, the Bear Valley Children's Home and AWANA clubs all bustle with meaningful activity on our compound. As we continue to grow, the heart of our ministry, child sponsorship and community outreach, continues to function from rented space in a different part of the village and fragments our ability to fully meet the needs to which we feel called.

We desire to add a **Ministry Outreach Center** to the property to unify the ministry and strengthen our outreach. The center will serve the community through:

- ◆ sponsorship activities,
- ◆ food storage and distribution
- ◆ case management & counseling
- ◆ sponsor communication
- ◆ emergency outreach
- ◆ life skills training and discipleship.

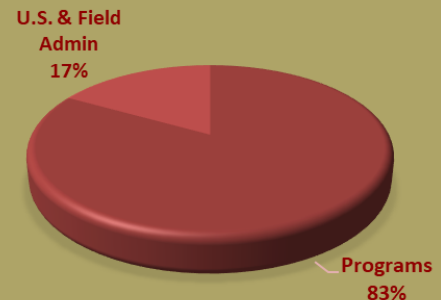

Food distribution from our offsite storage location

We are grateful to have received the first \$100,000 for this facility and would like to raise the remaining estimated \$50,000 needed in 2022.
